Information About The Service

Business ADSL2- Specialist is a fixed line broadband service.

Bundling Requirements

We do not require that you bundle this service with any other service.

Minimum Term

Minimum commitment term is 12 months. However you can move to another PEAK CONNECT ADSL plan within this term without penalty.

What's Included and Excluded?

Your ADSL service includes:

- **Static IP Address**

Your monthly Broadband Allowance

Availability and Qualification

PEAK CONNECT ADSL2 is provided via Telstra ADSL 2 DSLAM network. To qualify you must have a fixed line service connected to the Telstra network and Telstra DSLAM equipment available in your area. Not available to all customers in all areas. Business Broadband will deliver speeds of up to 20Mbps at selected exchanges where ADSL2+ is available and up to 8Mbps/384kbps in all remaining ADSL enabled exchanges. DSL Speeds are theoretical maximum speeds based on Telstra tests. Actual speeds may be less due to a number of factors including network configuration, line quality & length, exchange type, customer premises, interference, traffic, hardware and software
